Offer Rate Gap: College vs All University

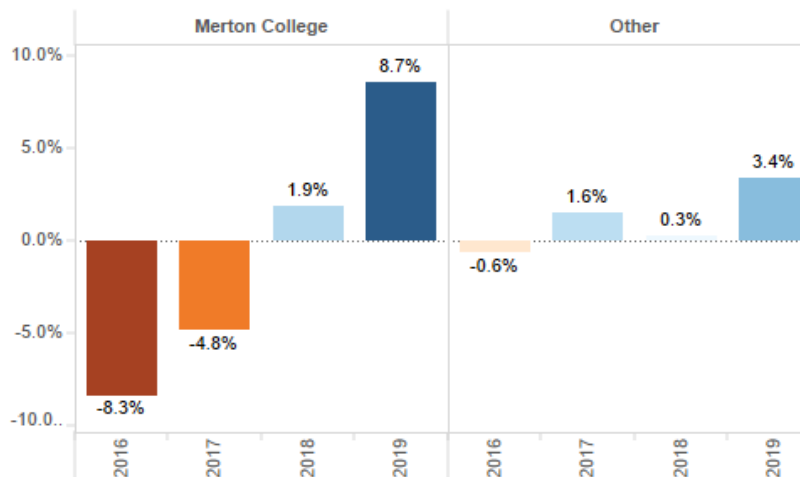

Domicile: UK / EU / Non-EU
All

These charts show whether the offer rate (number of offers / total number of decisions) for each demographic was higher or lower than its 'complementary' group (i.e. Female vs Male, BME vs White, Declared Disability vs No Known).

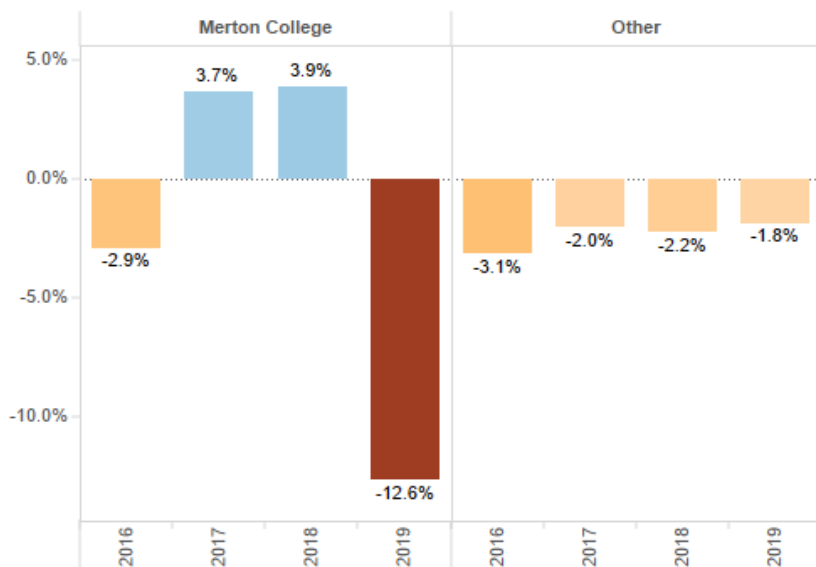

The data is split into the user's College and then all other colleges combined.

If you do not see your college displayed, please contact the graduate admissions reporting team on: graduateadmissionsreporting@admin.ox.ac.uk

Female - Male

BME - White

Declared Disability - No known Disability
