

## Economics and Management Admissions: Summary Data for Candidates

This note gives summary data for the Oxford University Economics and Management admissions exercise October-December 2020 for entry in October 2021 or 2022.

Total applications, excluding candidates who withdrew: 1,718

Of which:	Female	(682) 39.70%
	Male	(1,036) 60.30%
	2021 entry	(1,676) 97.56%
	2022 entry	(42) 2.44%
	UK (home)	(770) 44.82%
	EU	(221) 12.86%
	Overseas	(727) 42.32%
	Open application	(419) 24.39%
	Named first choice college	(1299) 75.61%

Candidates shortlisted for interview	297 (17.2% of applicants)
Number of offers made	90 (5.24% of applicants)

Candidates were shortlisted for interview according to the factors in the following table with weights – High/Medium/Low – as indicated. For those shortlisted, performance at interview is an additional assessment factor considered alongside those shown which remain important.

Factor	High	Med	Low
Thinking Skills Assessment (TSA) Test	•		
GCSE/cGCSE (or similar) profile	•		
Predicted performance at A-level (or similar)	•		
UCAS reference		•	
AS level module grades (if taken)			•
UCAS personal statement			•

For guidance, information is also presented on the distributions of scores on the multiple choice part of the TSA test (more detail and individual results are available at <http://www.admissionstesting-service.org/for-test-takers/thinking-skills-assessment/tsa-oxford/scoring-and-results/>) and the number of 9/8/A\* grades at GCSE. While these two indicators are significant it is emphasised that they form only a part of the assessment of candidates.

<u>TSA Overall Score</u>		<u>Number of GCSE 9/8/A*s</u>	
25 <sup>th</sup> percentile	62.2	25 <sup>th</sup> percentile	6
Median	68.30	Median	8
75 <sup>th</sup> percentile	72.80	75 <sup>th</sup> percentile	10
